“ *My dear, dear friend of a lifetime...what beautiful memories we made. From childhood, to teenage and young adult years, to Fourth of July and New Year's Celebrations and a very special trip to Colorado, to long talks about family...you have always been there for me. Many laughs...some tears...all precious memories of the most loving and giving person I know. You will be so very missed. I will always love you dearly, and look forward to the day we will hug each other again in the presence of our Lord. Your forever "sister", Beth Anschutz.*
