

Bailey Renée Walterscheid

May 28, 1996 - November 11, 2020

Bailey Renée Walterscheid, 24, of Muenster, Texas, passed away suddenly on November 11, 2020. She was the namesake of Bailey English, an early Texas settler, and was raised on land south of Muenster that has been in the English family for generations. Her parents, her brother Tyler, her grandparents, her aunts and uncles, her cousins, her many friends, and all her extended family are devastated by the loss, though they know she has been received into the arms of God with as much love, gentleness, and tenderness as when she was received into the arms of her mother at birth.

Bailey Walterscheid was born on May 28, 1996, to Wade and Rhonda Walterscheid. Her grandparents are Julian and Carrie Walterscheid and George and Fran Jones. She was a member of the Children of the American Revolution and, later, the Daughters of the American Revolution. She attended Sacred Heart Catholic School in Muenster, Texas, where she sang in the choir and participated in basketball, track, and cheerleading. She received the Girl Scout Gold Award and was Homecoming Queen, Miss Sacred Heart, and salutatorian of her high school class.

After graduating from Sacred Heart in 2014, Bailey attended Hardin-Simmons University, where she majored in biology with a minor in biochemistry. While at Hardin-Simmons, she served as a laboratory assistant, a tutor in chemistry, zoology, and mathematics, and as a resident assistant in her dormitory. She volunteered for Meals on Wheels, Habitat for Humanity, the Texas Mission of Mercy, and other charitable organizations. She served as an officer in multiple

social clubs, including president of her honors fraternity. She participated in the University of Nebraska Medical Center's summer dental program and for two summers worked as a dental assistant for Smiles by German Design. After graduating cum laude from Hardin-Simmons University, Bailey enrolled in the dental program at Tufts University in Boston, Massachusetts, where she was a member of multiple organizations and the president of the student chapter of the Christian Medical and Dental Association.

Bailey was an outgoing person, able to relate to her young cousins, her grandparents, and even complete strangers. She was always ready to throw herself whole-heartedly into anything and to invest herself in others. She loved to travel anywhere: Honduras on a mission trip, Costa Rica to observe leafcutter ants, Salzburg during the Christmas season, Quebec City to visit a friend, the Grand Canyon and the Four Corners — wherever she could catch a ride. She was able to crochet any image she saw, and her work has blessed many of her friends. She was a ray of sunshine who brightened the lives of all around her.

“ A few years ago, we met a beautiful young lady from Muenster, TX. She came to our home with a group of HSU students who were heading to New York. We were very impressed with Bailey's kindness and sweet spirit. We are so sorry to hear of her passing. May God comfort you and fill you with peace at this time. We are praying for your family.

“ To the family of beloved Bailey Walterscheid,

We are incredibly sorry for your loss and for the hurt you all are going through right now. Bailey has impacted all of us in so many different ways. We can all attest to how big of a heart she had to care for the people around her, her bright and bubbly personality was a bright light in this world. She also led CMDA with pride and passion. Her vision of what she wanted CMDA to look like inspired our E-board to make these changes, and she worked very hard to make this happen, our organization has forever been impacted. Bailey left a legacy here at Tufts, and she will always be remembered. She will forever be in our hearts, mind, and spirit. Your family will continue to be in our thoughts and prayers, We will pray for the peace and strength to get through this difficult time. If there is anything you need at all, please don't hesitate to reach out to us.

With much love,
