“ As I think back, the most significant day in my days with W.U. was when I received a call from Chuck inviting me join his team in Chicago, transferring (after 6 months) in Cedar Rapids, Iowa. I had some real doubts about accepting the challenge based upon my education and back ground. His response was we all have God given talents and can achieve these gifts remembering ten 2 letter words "If it is to be it is up to me". I did accept the challenge and before I retired in 1980 as VP Westar broadcast services had the opportunity to meet with Chuck, Phyllis and family in Seattle, Wash. Today I serve as the Roman Catholic Chaplain, for the past 25 years at a Correctional Facility, here in N.Y. and continue follow and share in my ministry those "10 two letter words. Now that Chuck has reached our final goal he continues to inspire us through his memory. May our God continue Bless you all!!

“ Phyllis and family: So sorry hear of Chuck's passing. He was the most incredible example for me during our Western Union days in Chicago. May the Lord richly bless you and the entire family. My thanks to all of you for your close friendship

“ So many wonderful memories of years of living together on Mercer Island and Dallas...what a fun, crazy, loving, God-loving, people developer, great laugh, much loved, wonderful husband and dad...now he is with his buddy Bill and we who are left will feel his absence but also know we will all be together once again. Love and hugs to all the family; God's peace to you as you reflect on your lives with this great guy!--may memories bring you much comfort. Vi Frederick Tradal

Just remembering Chuck in this nearly 2 year annum of his Homegoing...I miss his presence in the Earth and look forward to seeing and sharing with him in Paradise with Jesus! He was such an expression of what the Bible commands of a husband: "Husbands love your wife". I loved that Chuck could make you see the positive according to the Word of God. I pray Phyllis that you, and all the family, be encouraged in remembering all the sweet and wonderful times you enjoyed together... Love to you Phyllis, my spiritual Mom and dearest friend. 🥺🥺 May the Lord Comfort you and family during this time. 🥺🥺

God could not have blessed us with a more loving Daddy. He was the epitome of Christ's love, a leader by example and the most endearing nurturing Father a child could ever ask for. There will be a huge void in our lives. We love you and will miss you terribly, Daddy!

I will never stop being the proudest granddaughter in the world and blessed beyond measure to have this man be my grandpa. His laugh and love of peanut butter milkshakes and reeces peanut butter cups were contagious. His faith and wisdom was nothing short of inspiring. His love and devotion to my grandma and his family was a priceless gift that I could aspire to resemble one day. He was my hero and my world shined so much brighter with him in it. I am at peace knowing he is partying it up in heaven free of pain and watching over all of us. This grandpa sized hole in my heart is merely evidence of how loved you truly were. Until we meet again, my grandpa, Declan and I love you "the mostest!"
