“ Mr. Boyd did many things for me, but the most special one was when I asked him to walk me down the aisle of the TCU chapel when Gary and I got married. It was a difficult thing for him to do, because of his unassuming nature. He was a man of few words, but of great integrity and love, and for that, he will live on in the hearts of my family.

“ Gerald grew up across the road from my family. He and my sister were real close to the same age. He and Billie moved back to the farm across from my mother and daddy. They were so good to them. My daddy really enjoyed them and always looked forward to seeing them. They were really nice to my parents. Gerald was always there to help our family. Thanks to both of them.
