“ I had the privilege of escorting June, along with several other ladies from the Methodist Church in Saint Jo, a couple of years ago to see the outdoor theatrical production of “Texas” in Canyon. That was such a fun trip and June was such a trooper despite her physical limitations. June was a good example of a lady with determination and strength as she fought back from multiple medical/health setbacks since I have known her. She maintained such a pleasant attitude. I feel very blessed to have known June, a woman of great faith!

June was a roommate with my mother Marian Gruber at Muenster Memorial Hospital in Nov & Dec 2013 when both shared a room while going through rehabilitation for broken bones . . . She was such a sweet lady and my mother really enjoyed her company and visiting with her . . . It was so reassuring to know the two found comfort in passing the time there sharing stories about their lives . . . We will always have fond memories of her sweet disposition and kindness . . . “ June was a neighbor to my mom, Pauline Parker, who lived across the street from her. She was a very sweet lady. I remember her helping out serve cookies and punch at the Church of Christ vacation bible school many years ago. A year or so ago, a group of ladies from church had gone to visit Pat Baker at the assisted living, and when we left, June was waiting in the front, all dressed up in a beautiful long evening gown. She was waiting on her ride. They were taking her to a special party. She looked so beautiful and was very happy. Our community has been blessed by sweet June. She will be missed. Prayers of peace and comfort for all of her family.

“ June was a strong & beautiful woman. I got to know her over the years of writing her insurance as well as her parents' insurance through Geo. D. Pedigo, Ins. I was always amazed by her strength; to have lost her husband at such a young age & still raised 4 kids. Such a woman of character! God's love shown through her.

I am sorry for your loss.
