“ I had only know Wayne for a short time. I have been thankful every day for the opportunity to get to know Wayne and Salley, even for a short time. God only knows how his influence will affect any life, but I am sure that thousands have been blessed by his singing and testimony. Christ said that he had gone to prepare a place for Wayne, and I know that Wayne looked forward to that forever home. Wayne, your presence here will be missed, but as King David son died he said I shall go to him, but he shall not return to me. Thanks for your friendship and your testimony. Prayers for Holy SPirit comfort, strength, and assurance for Sally and the whole family
