“ I transferred with Valenite from Arkansas to muenster tx. J.t was one of my very first friends there and from the beginning was always so very sweet and nice to me, along with giving me a hard time as well, but only In teasing with me. Because of people like j.t. and my other great buddies of Munster they made me feel so welcome as well as protected and became best friends of my life that I will always treasure. This was the first time in my life I had ever made a move away from my home to another state totally alone but because of j.t. assnd the others, from day one, it will always be the greatest adventure in my life. There was always nothing but fun and respect and true friendship from such a great boy/Man as J.T. pagel. I will miss you my dear sweet friend as I have since I moved away to North Carolina. I will never forget you and the impact you made on my life from day one. I love you with all my heart and always will. I cannot wait until the day when I get to meet up with you again in heaven and have another beer and laugh with you. As you already know my sweet friend, you are loved by so so many, an accomplishment we all dream of having, but for you it was easy. Until we meet again,
Love you,

“ I worked with JT at Valenite from 1994-2004 at Valenite. My prayers to the family and his friends. JT was a pillar of the community.

One of my best memories is the time I was at the bar at the Center and JT served me a corn beef sandwich. After I Ate it ,he came by for some conversation and asked me how the sandwich was. Loving to pull his chain , I said it was the best I ever had. I then proceeded to ask him if he went out back and picked it up at Rhomers.

Needless to say , JT turned a lovely shade of red and called me a few choice words. We had a good laugh afterwards. JT was truly a great guy and will be greatly missed!

Save me a seat at the bar my friend! Till we meet again.
