“ I met Jim ---we called him Tex---near Council Bluffs, Ia after high school graduation. He was working on the railroad at the time. We had many picnics near Mosquito Creek near my home. He and his wife came to visit my husband and me in Colorado about 1988. I just felt led to look him up. My husband passed away in Nov. on Thanksgiving Day 2019. I get overwhelmed with old memories. We dated until I went to College. It sounds like he had a wonderful family and life. My sympathies to all his relatives.
