“ Jeannie I can't believe you are gone. We lost contact and even though you were in my thoughts and prayers we never were able to reconnect and for that I am so sorry. We had the best of times when you were here in Saint Jo. Lots of laughs and crazy times. We even had our own personal bartering system! Lots of memories to carry me through to forever and for those special memories I will be ever grateful for. Go rest high on that mountain sweet friend cause the lord knows you deserve it. Until we meet again...

“ Oh my precious friend, it is so hard to accept that you are gone from my life. So many memories of crazy good times where we laughed till we cried...and sad memories where we cried till we were done and the we dried our eyes, and got on with the business of being friends forever... But now forever came to an end too soon... So sorry I could not be there to say goodbye, but know you will live in memories for the rest of my forever. My heart breaks for Candy & Randy, and Liz. And all those grandkids you loved so much. You rest in peace, free of pain and close to your precious mother. You take care of each other,... see you on the other side... Love you.....Monty Womackc

“ *When we were kids and would visit from Louisiana, I loved staying with Aunt Jeanne most of all despite the torment of Randy's Jaws shark toy. I'll always remember her boisterous laugh and that we laughed often through the years, in both good times and some not so good like today.*

Our deepest sympathies to Randy and Candi and their families. We love you guys and hope you find some small comfort in knowing that Jeanne is at peace.

She was a wonderful lady and will always be the cool aunt to me. We will miss her immensely.
