May God bless you and bring to mind sweet memories of your dad. You must have loved him very much to write such a beautiful obituary. As the days and weeks pass, and as you return to life's routine, may you continue to feel comforted by the love and support of family and friends

“ *I had the pleasure of sharing a couple of hours with Jerry on his 96th birthday watching football with his sons Fred and Eddie and a few friends and it was an absolute blessing. Jerry always found a way to engage those around him by sharing a story, a joke or a one liner comment that always made you laugh. We will miss that smile! May God Bless the Hughes family during this time and may you all hold on to a lifetime of memories from a life well lived. Sincerely, Ronnie Dieter Family*
