“ Albert, Cecil, Johnny and the rest of the family, I am so sad that Mary has left us, but also happy that she is with Billy again. Mary always had a smile on her face, she so easy going and I always enjoyed seeing her at our get togethers. I know how much you'll miss her, but she is always in your hearts and now you have another angel watching over you. Love you Mary, give Billy a kiss from me.
