“ I will always remember Betty as the one who knew how to use the Sacred Heart food processor when we prepared the Thanksgiving Parish Sunday meal every year. It was about 1 foot square in size and with multiple parts. I moved back in 1998 and this had been going on for many years: She came in on Friday...put it together and started dicing 50 lbs of onions and a case of 36 whole celery bunches (that is for the dressing for 1200 people) She did this year after year as long as she was able. (Now we order it pre-chopped from Ben E Keith)

When she finished that she helped tear up bread for the dressing... and every year she had at least one joke to tell. We really looked forward to that joke. We all loved working with her. She was so positive and fun.

One year after we were bagging up the torn bread she announced that she came that day with a "band-aide" on her finger and "It's gone...It must have come off while I was tearing up the bread!" We dumped the bread out in a huge bowl and searched for the missing band-aide. She was such a joker! There was NO lost band-aide. We laughed and laughed. In fact, we are still telling "Betty's Band-aide Story" when we make that dressing!

Eternal rest grant unto her O Lord  
and let perpetual light shine upon her forever!

*Betty, it was my pleasure of getting to know you, spoiling you daily, talking, hugging you, laughing with you, making sure that you had your coffee in the morning, and taking care of you. My heart was broken when I heard the news. Missing you....*

“ *Betty , Marty and the Kralicke Family hold a special spot in my heart! It was Betty who reached out to us when my family and I arrived in Muenster in 1967. It was Betty who was at my side with encouragement and her wonderful Lemon Meringue Pie on every special occasion and in every crises. Socially, emotionally and spiritually, Betty was my dear friend. May she rest in Peace. Juanita Bright*
